## President's Letter

By Dr. Jae Hong

**"We make a living by what we get, but we make a life by what we give."** – Winston Churchill

On Friday, April 20<sup>th</sup> and Sunday, April 22<sup>nd</sup>, at the Xfinity Conference Center in Everett, the AMEN Everett Dental Clinic is sponsoring a clinic in which people who are in need will receive free dental, vision and medical care. The clinic is seeking dental volunteers who can help with cleanings, fillings and extractions.

Why would you want to do this? Why would you want to come in on your day off and work? Because there's nothing better for your soul and well-being than to offer your expertise to people who desperately need it for no other reason than the goodness of your heart and expect nothing back in return. You'll spend it with good friends and colleagues and have a blast doing it. You'll find that giving feels good and, strangely enough, when you go back to work the next week, you will be refreshed and it will be the best week you've had in a long time.

I will be there on Sunday and I'm hoping that you can join me. For details, call 425-835-2068, go to [ameneverett.org](http://ameneverett.org), email [everettvolunteers@gmail.com](mailto:everettvolunteers@gmail.com).

And don't forget our next meeting on Wednesday, April 18<sup>th</sup>, 6PM at the Mill Creek Country Club, where our very own Dr. Roger Lucas will be discussing the Fun Biochemistry of Cavity Prevention. This is the annual joint meeting with the Hygiene Association, so bring your team with you!
