President's Letter

By Dr. Jae Hong

Happy new year! May 2018 be your year for prosperity, joy and happiness. There are a lot of exciting changes happening in the Snohomish County Dental Society. As one of the most active and best attended dental societies in the state, we want to strive to improve our prominence and continue to implement new and innovative features to help our members.

We have already started with a new and improved website. Now we are in the process of integrating social media to our members in the form of a Facebook page. If you are active on social media and would like to join the page, please contact us at scdentists@comcast.net to be added to our closed group. If you are already part of the group, we'd like your input and comments on how this page would be most useful to you.

At the next SCDS Executive Committee meeting we'll be discussing ways to improve and maximize this form of communication between the Society and members. It needs to be in a way that is most constructive and efficient as possible. Your voice will have a lot of influence on how we proceed. Please be sure to share your ideas and opinions with us. Talk with any of your Executive Committee members listed on the back, or email scdentists@comcast.net.

Also, don't miss our next meeting on Wednesday, February 21st, at the Mill Creek Country Club. Our very own Dr. Pamela Nicoara will be discussing periodontal surgical procedures to facilitate orthodontic outcomes. Social hour begins at 6 pm. Looking forward to seeing everyone there!
