PRESIDENT'S LETTER Dr. Daniel Brady, Executive Committee President

This is my last newsletter as president of our society, but I will continue to serve for another year on the executive committee. Despite the many challenges, our county society is thriving. Judy Bangs helped steer and guide us over the decades and her legacy is well maintained and augmented with Sandra Anderson. These have been some interesting years with surprises each month. Some of them I would love to repack-age and return to sender and others I would love to savor longer. Such is life. Just as in our practices, we never know what each day will bring. The different personalities among our staff and patient pools provide endless variability and novelty to our work routine. Even the most common procedures can bring uncommon challenges. These experiences keep us wanting to learn more and appreciate the richness life affords. I hope we can continue learning, growing, and keeping our profession great.

The Annual Gala is Back in October!

We are excited to bring back a SCDS tradition that has been a part of the Society for over 40 years. The Gala is a chance to bring members together with their guests, to socialize and raise money for our Foundation. The Gala will be a Halloween-themed event and is scheduled for Thursday, October 27 at the Embassy Suites in Lynnwood. This year we welcome nationally known hypnotist Justin James. Mr. James has performed across the country fascinating audiences with the power of the mind. Check out his website to see some of the amazing, and hilarious, shows he has presented. Go to thehypnosiscompany.com. His shows include real audience members doing some crazy things! Each member, and one guest,

receive complimentary attendance. Tickets for additional guests can be purchased in advance. We will have exciting raffle drawings for fun items with all proceeds going to support our own Snohomish County Dental Foundation. Past raffle items have included weekend get-aways, sports tickets, memorabilia and much more. After two years away, we invite you to celebrate with our Society and share the fun with your co-workers, spouses and friends. Reservations will open up in the Fall. We anticipate a "Spooktacular" event so plan ahead now!

WSDA House of Delegates Caucus Meeting

Each year the WSDA convenes a meeting of all Society representatives to discuss state issues related to dentistry. In preparation, the 6 SCDS elected representatives will be meeting to discuss the State initiatives and how SCDS would like to respond to those issues. All members are welcome to participate in this local caucus meeting. Our caucus meeting will be held in August. Stay tuned for the specific date and time. To attend, contact Sandra at 360-419-7444 by email.

SCDS LIFE MEMBERS 2022

This year the ADA instituted a change to the Life Member requirements. Previously, members had to have 30 years of consecutive membership and be age 65. The age requirement has been dropped in 2022, and now anyone who has 30 consecutive years of membership, or 40 years of non-consecutive membership, qualifies as a Life Member. Congratulations to our 23 members who earned Life Member status in 2022.
