PRESIDENT'S LETTER Dr. Clio Samia-Lindenauer

Hello fellow Sno-Co dentists! My name is Dr. Clio Samia-Lindenauer and I'm excited to serve as the new SCDS president. I've been involved with our wonderful dental society for the last few years as I've navigated my first decade of practice. I have truly found our local group to be a place for professional support, education, and social connection. I still remember walking into my first meeting wondering how much awkward small talk I would need to make in order to get my country club dinner and 2 CE credits. A couple hours later I left feeling welcomed by everyone I encountered, and energized about our profession.

I hope that in the coming year our society can continue to evolve, grow, and bring the most possible value to you all. Our executive committee has been diverse over the years, and we hope to represent the interest of our members of all heritages, ages, genders, practice types, educational paths, and career stage. We all have our own challenges at any given time. Currently for me that's having my first child in July and thus trying to navigate pregnancy, motherhood, clinical practice, and maternity leave while running a business amidst a time of staff shortages and massive inflation. Our executive committee would love to hear what you're working through, and what you need and want from your membership. Please don't hesitate to reach out to me or Sandra if you have questions, comments, ideas, want to commiserate a frustration, or celebrate a success. **Cheers to a great SCDS year to come!**

PS Don't forget to sterilize your slow-speeds after every patient, lest those pricey little motors last too long by avoiding the autoclave. Also - get your Gala tickets for our returning annual celebration for members and staff, then register for PNDC in November!

Don't miss the Snohomish County Dental Society's End of Year Gala – back for the first time since 2019 and Halloween themed!

Date: Thursday, October 27, at the Embassy Suites Hotel in Lynnwood at 5:30

Featured Entertainment: Hypnotist, Justin James.

About Justin: Justin James and The Hypnosis Company put on a comedy show of non-stop laughs where the guests are the stars. Set to high intensity music, guests will find themselves in the craziest situations - whether it is winning the world's largest jackpot or finding out that they can have random conversations with their shoes! Justin James has become one of the most requested hypnotists in America, performing for companies like John Deere and Columbia Sportswear, as well as in Las Vegas.

Dinner: complimentary for each SCDS member dentist and one guest. Each additional person is \$65 – bring your staff for team bonding. Consider a \$50 donation to our Society's Foundation to have your seats reserved at a table. All proceeds go directly to the SCDS foundation.

Prizes galore: Try your luck at winning one of our many raffle prizes. Raffle tickets at \$5 each or 5 for \$20 and all proceeds go to support our Foundation. Check out our Gala webpage at www.scdentists.org/meetings-events/annual-gala to see all our terrific sponsors and more. Come kick off the holiday season and join in the fun!

MEDICAL TEAMS INTERNAT'L IN SNOHOMISH COUNTY

Medical Teams International is a mobile healthcare organization providing free dental care to underserved communities across Washington and Oregon. We work with volunteer dentists, dental assistants, and hygienists to provide quality care, free-of-charge, to patients without insurance, those living in rural or underserved communities, immigrants and refugees, people who are homeless, and anyone experiencing barriers to care. We use our fleet of mobile clinic vans to bring care directly to the communities we serve and work hard to ensure they are provided the best care and a helping hand to connect to a safety net provider and dental home.

We are looking for more dentists, dental assistants and hygienists to join our volunteer team! The needs are greater than they have ever been and we are committed to reaching clients with urgent health and dental needs! Our vans are equipped with two full dental operatories and we provide urgent dental care (primarily fillings and extractions) to patients in need. We also provide some basic medical screenings and referrals to help ensure patients are connected to the services they need.

Volunteers are able to choose their hours and commitments. You can join us monthly or annually - whatever works best for you. Every contribution matters to patients experiencing

dental pain. We are in special need of volunteers in Snohomish County as we scale up our efforts in the region, particularly at our refugee resource center in Everett serving newly Afghan and Ukrainian refugees.

If you are interested in volunteering with our mobile dental program, please submit an online application here and our team will reach out to you with instructions. We will help connect you with an up-coming clinic: <https://www.cognitofirms.com/MedicalTeamsInternational1/VolunteerApplication>

We look forward to serving the community with you!
